Coalition Evaluation Partner Dr. William Geary / Deputy Director, Evaluation & Research, CADCA's National Coalition Institute

Dr. Geary leads a team responsible for advancing coalition research to improve coalition effectiveness and improve coalition evaluation so coalitions can better assess and capture their outcomes. In addition, Dr. Geary oversees the translation of contemporary research findings into useful tools and materials for coalitions. Additionally, he oversees a variety of projects involving community/researcher partnerships that benefit the prevention field as well as coalitions. Finally, he oversees efforts that support CADCA and the Institute in the evaluation of its services and supports to the coalition field.

Dr. Geary spent three years as CADCA’s Technical Assistance Manager, and prior to that has 15 years of teaching experience and 6 years of experience as a CADCA National Coalition Academy instructor. He has consulted with a variety of coalitions and agencies, including school districts, police departments, probation/parole departments and non-profit agencies. He earned his Ph.D. in Criminology from the University of Delaware, his B.S. degree in Administration of Justice from Penn State University and is published in a variety of venues.

To learn more about Dr Geary go to You Tube channel: Coalitionevaluation

Dr. Geary has been asked to evaluate all of the coalition’s data. There are two areas to focus on: 1) sustainability to help the transition away from DFC into a more community-supportive initiative; and 2) thinking about evaluation in post-DFC and how it impacts the data being collected and what should be done with that data.

	<p>Dr. Geary expects to be done going through and of the data and a report will be ready by the end of the month. He is happy to answer any questions from coalition members.</p> <p>A survey will be sent to coalition members regarding the data and then an follow-up to the that survey will be conducted.</p>
Legalization of Marijuana/ Education	<p>Handout & Information were provided to coalition members regarding legalization of marijuana/education. Please contact Patti Miller for copies of the handouts and information.</p>
SAMSHA Grant Potential	<p>The grant is focused on youth ages 9 – 20 which must include alcohol prevention and up to two other substances (marijuana, cocaine, opioids, meth, and tobacco). Application needs to be data-driven and show evidence based practice. The coalition discussed what substances should be included in the grant application.</p>
Adjournment	<p>Next Meeting will be <u><i>Tuesday, April 2, 2019.</i></u></p>
